Hi Dave & Chris,

Very sorry I did not get back to you sooner. I am in the process of organizing files, etc. and will try to get the Deschutes files to Chris ASAP. We did not send an “official” tribal consultation letter to the Squaxin Island Tribe (SIT). We did however discuss this TMDL with Jeff Dickenson and Erika Marbet when we met with them regarding WA’s Draft Nonpoint Plan. As you may recall, Jeff indicated the tribe was prepared to file legal action against EPA on this TMDL. In advance of the complete set of files, I am attaching the official SIT comments submitted to Ecology on this plan.

Chris, et al. please do not hesitate to contact me if you have any questions or if I can help in any way. My cell phone number is Ex. 6 - Personal Privacy

Best,

Jo
